\*Scholarship Qualifications: In order to compete in scholarships, you must dance the same number of single dance entries in that style as are included in each scholarship event.

\*Bronze and silver scholarship events are closed respectively to bronze and silver students only.

\*Students may dance in only ONE age and ONE scholarship level per style, and it must be in the highest level in which they danced. Example: If a student dances in the full bronze and pre-silver single dance levels, the student may enter the silver scholarship only and must choose one age level in which to compete.

\*Newcomer multi-dance events are restricted to students with 50 hours or fewer of ballroom dance instruction (any type of ballroom instruction from any instructor) and must have competed in no more than 5 NDCA competitions prior to the debut event of the current tour season. Competitors may enter both the newcomer multi-dance event and the bronze scholarship.
